Good morning Hector,

Attached, please find my formal Employee Notice of Discipline for my staff member, Franklin Fitzgerald. His behavior/outburst yesterday afternoon was unacceptable. With this being the second occurrence within a month (see previous email below), I am recommending a 3-day suspension; however, as instructed, prior to sending this notice directly to him, I am sending it to you for your review and guidance. I look forward to hearing from and/or speaking with you at your earliest convenience next week. Thanks and have a great holiday weekend.
